Savannah's Leading Inns and Historic Hotels Offer Guest Rewards Program for Business Travelers, Frequent Visitors

SAVANNAH, Ga. – Bed and Breakfasts of Savannah is pleased to offer a Guest Rewards program especially designed for business travelers and frequent visitors to Georgia's First City.

The Guests Rewards program is valid at four leading Savannah hotels including The Marshall House, Eliza Thompson House, East Bay Inn and Olde Harbour Inn. Stay nine nights at any of these acclaimed locations and enjoy a tenth night free.

"There's no need to keep track of your dates or worry over point statements," said Cindy Roberts, corporate director of sales and marketing for Bed and Breakfasts of Savannah. "Simply ask for a Guest Rewards card when you check in to one of the four participating historic hotels."

Guest Rewards reservations can be booked online 24/7 by visiting www.bedandbreakfastsofsavannah.com or by calling the hotel reservation offices directly. The Guest Rewards program does not apply to reservations made through Expedia.com, Hotels.com, Travelocity or similar booking channels.

When Guest Rewards members check out after a stay, they simply present their card to the property's guest service representative for validation. Guest Rewards members will receive one validation for each night of their stay. Once they have accumulated a total of nine nights on the Guest Rewards card, the card may be redeemed for a complimentary night's stay on a future visit.

"If you're a frequent visitor in Savannah, you're going to love this program," said Roberts. "And we're going to love welcoming you back each time you visit."
